

Technico Web Application

XML-Jakarta-Angular
Academy - September 2024

Stella Kontopoulou

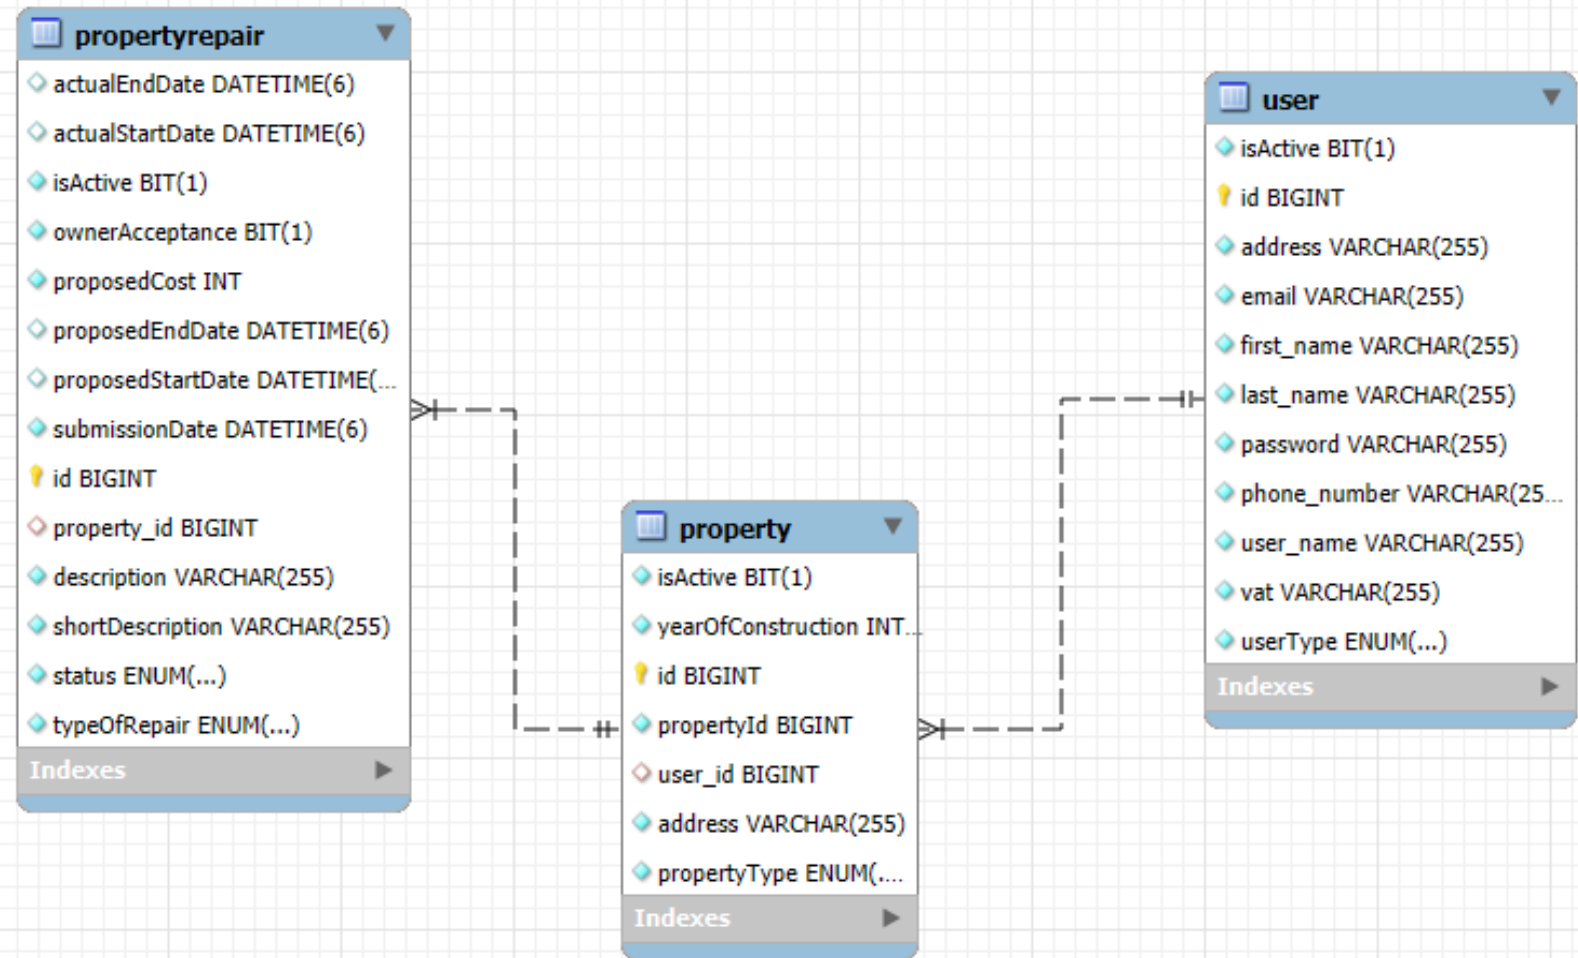

4/10/2024

Code.Hub

ERD MODEL

Tech Stack and Tools

Backend: Jakarta
EE, WildFly

Frontend:
Angular

Database:
MySQL

Tools: Postman
for API testing,
GitHub for
version control

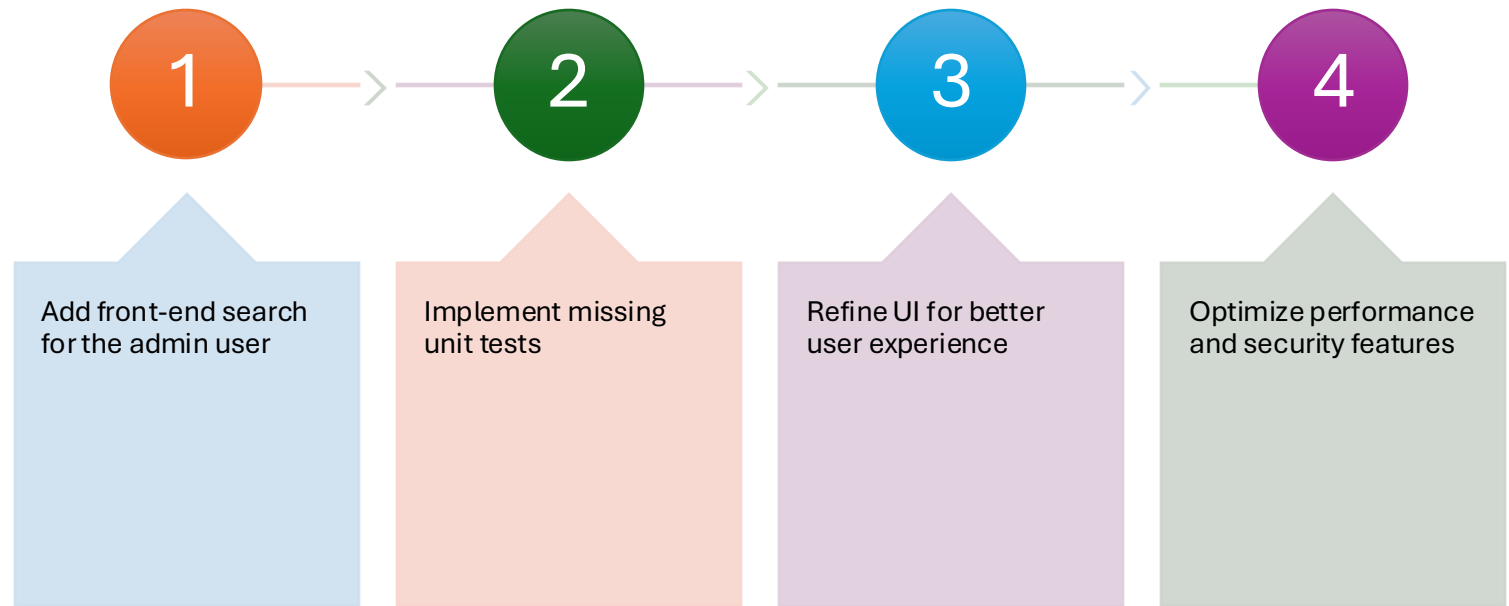

Challenges and Lessons Learned

Time management
with complex
features (e.g.
authorization)

Unit testing and
incomplete front-
end features

Lessons learned:
Improved planning
for feature
prioritization

Future Improvements and Next Steps
